A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

CAPTAIN COMET'S SPACE PARTY LADYBIRD I'M READY FOR PHONICS: LEVEL 1

Paperback. Book Condition: New. Not Signed; This is a brand-new set of phonics readers from Ladybird - perfect for helping your child with their phonics learning at school. Ladybird I'm Ready for Phonics readers uses simple language and engaging, humorous stories to help children develop their phonics skills. The series has been carefully written to give gradual, structured practice of the synthetic phonics your child is learning at school. Captain Comet's Space Party at level 1 teaches children to find the sound at the beginning of a word - the initial letter sound. The later books introduce phonemes in a similar order to the way they are taught in most UK schools and also provide practice of common tricky words, such as the and said, that cannot be sounded out. The series closely follows the order that a child is taught phonics in school, from initial letter sounds to key phonemes and beyond. It helps to build reading confidence through practice of these phonics building blocks, and reinforces school learning in a fun way. With simple vocabulary and subtle comprehension cues, these phonic readers will encourage, motivate and ignite children's excitement about reading.
