Poetry Wales Press. Paperback. Book Condition: new. BRAND NEW, Ronnie's Dream, Niall Griffiths, Back cover copy, enriched as much as possible with keywords. Keywords are assigned to each page of the website to help with search engine optimization. For each book's page, the keywords will invariably be the title of the book and the author's name, and perhaps a subject matter if it is specific ('Mabinogion', for example). If the respective keywords for each page are used within the text on that page, the page will rank higher in Google results. The optimum is 2 in 10 words, but no need to compromise too much on the flow of the text in order to achieve this! Iraq-bound young squaddie Ronnie takes something dodgy and falls asleep for three nights in a filthy hovel where he has the strangest of dreams. He watches the tattooed tribes of modern Britain assemble to speak with a grinning man playing war games. Arthurian legend merges with its twenty-first century counterpart in a biting commentary on leadership, individualism and the divisions in British society. Meanwhile Cardiff gansta Max is fed up with life in his favourite nightclub, Rome, and chases a vision of the perfect woman in far flung parts of his country.
