

The Transatlantic Economy: 2014

Filesize: 6.51 MB

Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

Center for Transatlantic Relations. Paperback. Book Condition: new. BRAND NEW, The Transatlantic Economy: 2014, Daniel S. Hamilton, Joseph P. Quinlan, The Transatlantic Economy annual surveys have become a standard reference for businesses, policymakers, and media interested in the changing role of the U.S. and Europe in the global economy. The 2014 survey offers the most up-to-date set of facts, figures, and analysis available on the deep economic integration binding Europe and the United States. Volume 1 describes the impact of economic and financial crises, prospects for the dollar and euro, the position of the transatlantic economy in relation to high-growth emerging markets, and the changing landscape of international innovation. Volume 2 documents European sourced jobs, trade, and investment in each of the fifty U.S. states and U.S.-sourced jobs, trade, and investment in thirty European countries. As the U.S. and Europe negotiate a Transatlantic Trade and Investment Partnership, The Transatlantic Economy 2014 will be an indispensable reference.
