### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Co-operative Banks or Loan Associations receive deposits at stated times, and lend money for building and other purposes to members or stockholders. The amount paid in by stockholders, generally \$1 a month on each share, constitutes the capital of the bank. The profits of the bank or association are derived from interest of money loaned, from premiums paid for the privilege of securing a loan, and from fines exacted from members who do not pay their dues at the appointed time. The plans of operation vary much in the different sections of the country, both as to State supervision and modes of making loans. 4. Get from the nearest co-operative bank a copy of the rules governing its operation, and make problems to find the cost of stock, the present value of shares, the amount of premium, what rate of interest is paid investors, and what rate of interest borrowers must pay. From the rules of the association find answers to...
