The Plundered Planet: How to Reconcile Prosperity With Nature (Paperback)

By Paul Collier

Penguin Books Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 196 x 128 mm. Language: English . Brand New Book. In The Plundered Planet: How to Reconcile Prosperity with Nature Paul Collier proposes a radical and often counter-intuitive rethink of international policy in order to combat global poverty and environmental devastation. How can we help poorer countries become richer without harming the planet? Is there a way of reconciling prosperity with nature? World-renowned economist Paul Collier offers smart, surprising and above all realistic answers to this dilemma. Steering a path between the desires of unchecked profiteering and the romantic views of environmentalists, he explores creative ways to deal with poverty, overpopulation and climate change - showing that the solutions needn't cost the earth. A practical handbook for ending world poverty. He wants us to read the evidence, not wear slogans on our T-shirts . (Sunday Times). Collier and his team have researched the detail.If you want to help the world, stem your bleeding heart and tell your broker to switch your funds to Emerging Markets (Africa) . (Sunday Telegraph). An intriguing take on how western nations can stop poor countries rich in resources from being...
