By Charles Lancaster

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Illustrated Treatise on the Art of Shooting: With Extracts From the Best Authors The book we have now before us, although the work of a gunmaker, is by no means a treatise on the construction of the weapons which it is his business to manufacture, but is a manual of instructions relating to the effective handling of shot guns after they have been made. The author, over and beyond his ordinary business standing, enjoys the reputation of being an excellent coach, whose endeavour it is, not only to teach the young idea how to shoot, but likewise to lead men no longer young to abandon old ideas that have proved uncondusive to success, and replace them by other methods more likely to attain the desired end. And one purpose of this work is that it may serve as a text-book to pupils, enabling them at their leisure to go again over the ground trodden during the process of personal teaching, and fix in their minds the principles that are sought to be inculcated. But...
