The young Dr. Telfair and his nurse-wife are now completing the final months of his Air Force assignment, one located in the small town of Oscoda, Michigan. They mutually fall in love with their first-ever exposure to small-town living; however, both absolutely detested the long winters in Oscoda. Still in Oscoda and the Air Force, the professional couple begin their search for a similar small Southern town, one that would have mild winters. They subsequently find a town that seems just right for them both: Statesville, Georgia. In Statesville, They find exactly what they d mutually sought in life: a comfortable place to live and enjoy life while carrying out one s chosen work. Totally unexpected, however, was the abundance of Statesville s humorous happenings and its endless bounty of riotous characters . all of which were found among their coworkers, patients, and other local folks swimming around in small-town social undercurrents.
