

Domestic Violence and Mental Health

By Louise Howard, Gene Feder, Roxanne Agnew-Davies

RCPsych Publications. Paperback. Book Condition: new. BRAND NEW, Domestic Violence and Mental Health, Louise Howard, Gene Feder, Roxanne Agnew-Davies, People with mental health problems are more likely to be a victim of domestic violence than the general population. This gives practical guidance on how mental health professionals can identify and respond to domestic violence experienced by their patients. It covers the prevalence of domestic violence, its association with mental health problems and the current evidence base on effective interventions to reduce abuse and improve mental health. It includes liaison with other agencies, such as social care, the police and the domestic violence sector and gives information on relevant medico-legal issues in order to prepare professionals to present evidence in court.
