MOLECULAR EMBRYOLOGY

To get **Molecular Embryology** eBook, make sure you access the hyperlink below and download the document or gain access to other information which are have conjunction with MOLECULAR EMBRYOLOGY ebook.

Discovery Publishing House Pvt. Ltd., 2004. Hardcover. Book Condition: New. The fundamentals of Molecular Embryology are presented within the Framework of Scientific discovery. Researches in Embryology have made almost incredible strides in the past few decades. Consequently, existing concepts of the Molecular Embryology have expanded. There has been a Revolution indeed in this direction. The text integrates the descriptive, experimental and Biochemical approaches into a conceptual framework for the analysis of development. All important points are illustrated diagrammatically. The title is not intended to be comprehensive nor could it be at length, but it concentrates as putting across the basic principles of the subject as briefly and lucidly as possible. It does this with the Aid of careful selected examples?some recent and other classic of the field and with numerous illustrations. The aim is to enthuse the reader with this active and exciting area of Research and to lay a Solid foundation on which further Study of its various facets may be based. The present title is intended for beginners who wish to understand the fundamentals of embryology. The whole gamut of subject has been described in a simple and systematic manner suited for readers who have not been exposed sufficiently to the subject. A few aspects of cell biology, Biochemistry and Endocrinology are also freely discussed at appropriate instances. These instances are enough to keep the arguments down to Earth and so reduce the confusion in grasping the subject. Contents, I. GENE IN Embryonic DEVELOPMENT : Embryonic Adaptations, How Many Genes are Necessary for Development? Genetic Cost of Development at the Molecular Level, Gene Switching and Multigene Families II. GENES AND EMBRYOGENESIS : Development and Evolution, Genes in Individual Development : Pleiotrophy, Mutations and Changes in Ontogeny, Analysis of Time and Place of Gene Action, Maternal Effect Mutations, Mutations...
