VOYAGE ACROSS THE STARS

To get **Voyage Across the Stars** eBook, make sure you access the hyperlink below and download the document or gain access to other information which are have conjunction with VOYAGE ACROSS THE STARS ebook.

Baen Books. Paperback. Book Condition: new. BRAND NEW, Voyage Across the Stars, David Drake, These are two incandescent novels of journey and battle across the stars set in David Drake's best-selling "Hammer's Slammers" universe together for the first time in one mega-volume! In "Cross the Stars", Captain Don Slade has resigned from active duty with the Slammers and headed home for what he hopes will be peaceful retirement with his son and the woman he loves. Slade's road to his homeworld lies through a jungle of planets in the wildest and toughest quadrant of the galaxy, but he's got the loyalty of a contingent of Slammers who have sworn to see him home. Most of all, he still possesses the wits and wily tactical ability that made him a legend among the Slammers in the first place. He's going to need all of it, for even if he makes it through all dangers, he'll discover Tethys is not exactly ready to welcome him home with open arms. The journey home is an Odyssey of epic proportions and Don Slade is just the Ulysses to undertake it! In "Voyage", Ned Slade has a heck of a name to live up to: that of his uncle Captain Don "Mad Dog" Slade of the legendary mercenary brigade, Hammer's Slammers. But Ned's life takes a turn to adventure when he crews for Lissea Doorman, a trade-ship captain who is sent by her conniving guild masters on what is supposed to be a suicide run. The crew of the good ship Swift is after an ancient alien artifact that could revolutionize star travel. The journey is long, and along the way Ned must first survive in a hard-knock universe full of forces - some very large and very-much armed-to-the-hilt - that would like nothing more...
