Harriman House Publishing. Paperback. Book Condition: new. BRAND NEW, Two Speed World: The Impact of Explosive and Gradual Change - Its Effect on You and Everything Else, Gerald Ashley, Terry Lloyd, We live in a bewildering world of change, which splits naturally into steady progress punctuated by sudden disruptions - the two speed world. Steady progress ensures the survival of our species, but it is the disruptions that move us to a new level. Both types of change, slow and rapid, are important, because they mould and shape our lives, but because of their widely divergent characteristics it is sometimes difficult to recognise a major life-changer until it is too late. Even if we do spot the upheaval, we cannot deal with a change unless we understand it. Examining leading edge ideas and examples from history, this book gets to the heart of this dilemma. How do we recognise the type and importance of the changes that we face? What pitfalls must we avoid in order to keep to the correct path? What tools are available and when are they applicable? How can we avoid the temptation to redefine a change in order to make it fit our favourite tool? The past masters of change were mavericks who pushed against the prevailing wisdom of the day in order to give us answers to these questions. Theirs' are fascinating stories. Key topics include: - Steady advances and abrupt changes - Statistically predictable developments and unforeseeable events - The brain's two modes of perceiving the world - The need for people both inside and outside 'the box' - Planning for alternatives, or making a plan to secure a single outcome - The entrepreneur's approach - The environment needed to support the innovator Ranging across a wide sweep of history, management thinking and...
