Out of Real (Paperback)

By Proyect outzone

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book bases on my own experiences! In this book are all supernatural abilities and experiences explained, which i know. This includes also methods and instructions to learn and to experience them. The content of this book is the so called maintext. This is an factually formulated large textdocument, which contains all my knowledge about the supernatural. Its number system offers an unique overview over all the different parts of the supernatural. It shows the context of the entire topics. Some of the mentioned topics are: Out of body experiences, dreams (nightmares, methods to prevent nightmares), remote perception (simple remote viewing), supernatural transmission (telepathy). This book version of is now the third edition. There you can also read the whole content for free, before you buy the book! After the success of the first and second edition in German, this edition is the first, which is available in multiple countries and in two languages. WARNING: The translation contains a few grammar issues and mistakes. I recommend to read the content, before you buy the book. But i promise,...
