Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The purpose of my book is to show children who stutter that they are NOT alone and that there is a way to overcome your anxiety of stuttering. I dealt with stuttering since I was two years old and went through speech therapy until I was in eighth grade. Even after all the therapy I received, I still stuttered. Sadly, I encountered many people who were either lacking in knowledge and/or patience. So I taught myself ways to overcome my anxiety of stuttering as they appear in my book. In addition to my stuttering, I also had a learning disability. Children with learning disabilities are not incapable of learning. They just need different learning tactics.
