HarperCollins Publishers. Spiral bound. Book Condition: new. BRAND NEW, GCSE Physics Teacher Pack AQA, Ed Walsh, Covering the whole of the new 2016 GCSE Physics course, this book is structured around a brand new innovative assessment framework that uses regular check points and tailored intervention to help all students make progress. Written by a team of expert authors for the 2016 specification, this book provides a 'go-to' guide to support teachers throughout the course. Teach with confidence using an introduction to the new specification, schemes of work, plans for co-teaching the different courses, and a comprehensive set of editable lesson plans and worksheets \* Track students' progress in the new linear GCSE course through a brand new, innovative assessment framework. Teaching is organised into four semesters that function as review checkpoints. \* Tailor your teaching to suit your students' needs using the flexible teaching order within each semester \* Assess students across topics and also by assessment objective using the end of chapter questions and the end of semester tests \* Help all students make progress with consolidation worksheets to support those at Foundation level and extension activities to challenge those at Higher level \* Equip students with the skills they need for working scientifically, using maths, and carrying out practicals. \* Prepare students for the demands of the new specification with differentiated questions and practice opportunities embedded in each lesson \* Co-teach both Foundation and Higher tier with a single book (the Higher-only content is clearly flagged) \* Easily plan your teaching with Schemes of Work for 2, 3, or 5 years, for each tier - available free from Collins' website from September 2015 \* All resources also provided on CD-ROM.
