Brand New Book ***** Print on Demand *****.All the other children who knew her thought Maggie a wonderfully fortunate little girl. She was sometimes spoken about as the Little Princess of Tower Hill, for Tower Hill was the name of her father s place, and Maggie was his only child. The children in the village close by spoke of her with great respect, and looked at her with a good deal of longing and also no slight degree of envy, for while they had to run about in darned and shabby frocks, Maggie could wear the gayest and daintiest little dresses, and while they had to trudge sometimes even on little bare feet, Maggie could sit by her mother s side and be carried rapidly over the ground in a most delicious and luxurious carriage, or, better still, she might ride on her white pony Snowball, followed by a groom.
