

The Land of Decoration

By Grace McCleen

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Land of Decoration, Grace McCleen, A RICHARD AND JUDY BOOK CLUB PICK 2013 'An extraordinary and peculiarly haunting novel' Chris Cleave, author of The Other Hand My name is Judith McPherson. I am ten years old. On Monday a miracle happened. Judith doesn't have much. The house she shares with her devoutly religious father is full of dusty relics, reminders of the mother Judith never knew. Bullied at school, she finds comfort in creating a miniature world in her bedroom - a world of wonder she calls The Land of Decoration. Perhaps, she thinks, if she makes it snow in The Land of Decoration there will be no school on Monday. Sure enough, when Judith opens her curtains the next day, the world beyond her window has turned white. And that's when her troubles begin.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

-- **Rene Olson**
