

## The Rani of Jhansi: Gender, History and Fable in India

---

By Harleen Singh

Cambridge University Press, New Delhi, India, 2014. Hardcover. Book Condition: New. Dust Jacket Condition: New. Rani Lakshmi Bai is an iconic figure of the nationalist movement in India. Her fight against the imperialist power has a significant place in the cultural and feminist history of South Asia. She is considered not only a heroine and a great warrior but also a protector of her people in Jhansi. Her pictures on horseback with her son tied to her back and a sword in one hand represent her as an embodiment of feminine power or Shakti. This book uses fictional cinematic and popular representations of the Rani to analyze the convergence of colonial and postcolonial literary historical sexual and cultural imperatives in the figure of this legendary woman. This book also extends the discussion to what constitutes the gendered subaltern historical archive. By analyzing a range of literary and cinematic texts produced between 1857 and 2007 it tries to understand the various agendas that are at stake in the use of the Rani as a figure of nationalist Indian history and imperial British narrative. There is also an attempt to compare representations of the Rani in both these contexts. Endorsements The author...

### Reviews

*An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.*

-- Prof. Arlie Bogan

*It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dr. Barney Robel Jr.
