Book Description: Orson Welles was all too aware, in his later years, that posterity would judge his life to have been essentially a failure: that it would construct a neat parabola of decline that would arc down from his youthful masterpiece, *Citizen Kane*, to the wine adverts he used to fund his latter day imbibing. In *Despite The System* Clinton Heylin shows brilliantly how Welles was undone by real people, with real motives - and by the circumstances found in a single time and place, Hollywood at the end of its golden era - and yet still succeeded in forging a body of work that, whatever its flaws, is without equal in the history of cinema. : Review: "Everything about me is a contradiction." Orson Welles" : About the Author: Clinton Heylin is the renowned author of the definitive Bob Dylan biography, *Bob Dylan: Behind the Shades and Can You Feel The Silence?* Van Morrison: A New Biography, amongst others.
