Art / Books. Hardback. Book Condition: new. BRAND NEW, The Many Faces of Jonathan Yeo, Martin Gayford, Giles Coren, Tim Marlow, Sarah Howgate, Jonathan Yeo is one of Britain's best-known portrait painters. Over more than a decade, he has gained an international reputation for painting some of the most famous faces of our age. Models and movie stars, artists and actors, politicians and princes all have been the subject of his iconic, and often ironic, portraits. Nicole Kidman, Dennis Hopper, Kevin Spacey, Stephen Fry, Damien Hirst, Sienna Miller, Rupert Murdoch, Grayson Perry, Tony Blair and Prince Philip are just a selection of the many household names who have sat for Yeo. Renowned for his distinctive, highly figurative canvases and controversial collages, he employs a range of media and techniques to create a diverse body of work that expands the traditions of portraiture while examining contemporary perceptions of beauty, celebrity and power. Coinciding with a retrospective exhibition at London's National Portrait Gallery, *The Many Faces of Jonathan Yeo* is the first major publication on the artist. Featuring his most popular paintings, drawings, collages and prints, the book also presents several new canvases made especially for the show. Alongside his intimate portraits of well-known sitters are dramatic and unsettling studies of cosmetic-surgery patients that document the compulsive and painful pursuit of physical perfection. Dozens of studio shots and photographs of works in progress reveal Yeos working practice and chart the process of creating individual portraits. Numerous contributions from his subjects lift the lid on what it is like to be scrutinized by the artists exacting, forensic eye and to have oneself captured on canvas for ever. Martin Gayford discusses Yeos work within the history of society portraiture, while a wide-ranging interview between the artist and Sarah Howgate, curator of the National Portrait..
