PEDIATRIC BONE

Book Condition: New. Publisher/Verlag: Academic Press | Biology & Diseases | Pediatric Bone is the first book to be published to deal exclusively with the biology and diseases of bone as they affect children. Rapid advances have been made in our understanding of the mechanisms and factors controlling the growth and development of bone, and these are discussed in detail in this book. Further, the various diseases of bone which are peculiar to children are highlighted and discussed in the...
