

Online ASE Technician Test Preparation - Heating, Ventilation and Air Conditioning (T7) Printed Access Card

Filesize: 1.13 MB

Reviews

This type of pdf is everything and helped me searching ahead and a lot more. It normally does not expense a lot of. You wont really feel monotony at anytime of the time (that's what catalogues are for relating to should you request me).

(Zella Bradtke)

ONLINE ASE TECHNICIAN TEST PREPARATION - HEATING, VENTILATION AND AIR CONDITIONING (T7) PRINTED ACCESS CARD

CENGAGE LEARNING, United States, 2015. Online resource. Book Condition: New. 2nd. 198 x 127 mm. Language: English . Brand New Book. Prepare for the Automotive Service Excellence (ASE) exams online with ease! Delmar s Online ASE Technician Test Preparation 2.0: Medium/Heavy Duty Truck Heating, Ventilation and Air Conditioning (T7) course is newly updated and enhanced to ensure those preparing to take the ASE certification exam are even more equipped for success than ever before! Including significant enhancements to content and functionality, this robust online product features all of the necessary components a user needs to successfully prepare for ASE certification. A detailed, three- tiered preparatory methodology (Practice, Standard and Timed testing modes) is designed to ensure users increase confidence not only in answering task-list based questions correctly, but also in gaining test-taking assurance when performing in a simulated, timed exam environment. The Practice mode, the suggested starting preparatory test mode, provides detailed, question level remediation with each question response. This includes answer explanations, links to the relevant task list area(s) being assessed, digitized videos, animations and full-color, engaging graphics designed to increase learning efficiency. The Standard mode removes the remediation element, and begins to transition the user to ensure comfort in a simulated online test taking environment. The Timed mode simulates most closely the actual ASE exam, where each preparation exam is timed and results achieved are viewed only at the completion of the entire set of questions for each test area.
