Brand New Book ***** Print on Demand *****.When disaster strikes, are you going to hunker down or hit the road? If you are new to prepping or being a Survivalist, deciding whether you should stay put or seek shelter somewhere else can seem like a big task. It s hard to know where you and your family will be safest. However, if you start planning now and you figure out whether you ll bug in or bug out, you ll be much better off than about 99 of the population. A Bug Out Bag is designed to get you out of an emergency situation and allow you to survive self-contained for up to three days. On the other hand, Bugging In requires you to fortify your home and store enough food and supplies to get you through an undetermined amount of time. Both have their pros and cons and it s important to choose the right one for you and your family. In Bugging In or Bugging Out, you will learn: - The main differences between Bugging In and Bugging Out - How to pack a Bug Out Bag for each member of your family, without going overboard. - How to fortify your home and yourself for ultimate safety and protection. - Tips and Tricks for deciding which method is right for you - And much, much more! Survivors are a unique group of people. Some people call us Survivalists, Doomsday Preppers, or Patriots. You may not consider yourself any of those things. Whatever you may want to call yourself, if you re reading this, you are on the first step to helping your family becoming an Emergency Prepared Survivors. Welcome to Bugging In or...
