Common Things That are Suddenly Special is an inspirational memoir which will motivate readers to see the ordinary things and events in their lives as special and extraordinary. It is what Thomas Larson defines as sudden memoir, which helps the writer to cope, get through, get past. Freud claimed that our memories are stored in our brains as static entities, but recent neurological discoveries show that our memories are in a state of flux and are continually being updated or refashioned. In this inspirational memoir, Brenda Liddy, takes the reader on a journey from the interfaces of north Belfast to the cherry blossoms of Kyoto. The memoir was inspired by Sei Shonagons Pillow Book. She was a Japanese author who served as a court lady to the Empress Teishi in the mid-Heian period around the year 1,000 during which time she composed her pillow book which was in effect a collection of observations, impressions, opinions on everyday life in the court, including the highs and lows of aristocratic life. You might say Sei with her witty and sometimes pithy, sometimes unflattering remarks was a kind of early modern tweeter! The author uses Sei Shonagons Pillow Book as a framework to reflect on her own life and some of the events that have shaped it. It starts with a reflection on the four seasons. Bashos spring haiku where he celebrates the cherry blossoms is reflected on and we learn that the poet felt as if he was in a Noh play. Liddy adheres to the sudden memory style throughout the book as one moment you are in the Empress Teishis Japanese court where the full-moon gruel festival is...
