Summary: Sir Ian Kershaw, author of *Hitler and The End: The Defiance and Destruction of Hitler's Germany, 1944-1945* "Dan McMillan's book is clearly written, well-structured, and rests on good acquaintance with recent research. It offers a thoughtful and intelligent answer for a non-specialist readership to the vital but often strangely ignored question: what caused the Holocaust? It deserves to be widely read." Istvn Dek, Seth Low Professor Emeritus, Columbia University, author of *Essays on Hitler's Europe* "An important and much needed book. In explaining why the Holocaust happened, Dan McMillan explores not only the motives of Hitler and his fanatical followers, but also of the millions of ordinary Germans and other Europeans who shared responsibility for this tragedy. Beautifully written, persuasive, and often very touching, this book should be read by everyone who wants to understand how such a monstrous crime was possible." Robert O. Paxton, Professor Emeritus of History, Columbia University "How could a cultivated nation like Germany unleash a murderous frenzy against the Jewish people? Many authors have described the killings. A few authors have warned that explaining is in itself a profanation. But Dan McMillan takes a different course. With eloquence and clarity he sets the Shoah in a broad historical context. This book is an impressive achievement." S. Jonathan Wiesen, Southern Illinois University, author of *Creating the Nazi Marketplace* "This is one of those rare books that is accessible to the general reader while offering significant new perspectives to academic specialists. I marveled at the richness and clarity of...
