Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

LOW PRESSURE

Vision. Paperback. Book Condition: New. Mass Market Paperback. 528 pages. Dimensions: 6.7in. x 4.1in. x 1.2in. Bellamy Lyston was only 12 years old when her older sister Susan was killed on a stormy Memorial Day. Bellamys fear of storms is a legacy of the tornado that destroyed the crime scene along with her memory of what really happened during the days most devastating moments. Now, 18 years later, Bellamy has written a sensational, bestselling novel based on Susans murder. Because the book was inspired by the tragic event that still pains her family, she published it under a pseudonym to protect them from unwanted publicity. But when an opportunistic reporter for a tabloid newspaper discovers that the book is based on fact, Bellamys identity is exposed along with the family scandal. Moreover, Bellamy becomes the target of an unnamed assailant who either wants the truth about Susans murder to remain unknown or, even more threatening, is determined to get vengeance for a man wrongfully accused and punished. In order to identify her stalker, Bellamy must confront the ghosts of her past, including Dent Carter, Susans wayward and reckless boyfriend -- and an original suspect in the murder case. Dent, with this and other stains on his past, is intent on clearing his name, and he needs Bellamys sealed memory to do it. But her safeguarded recollections -once unlocked- pose dangers that neither could foresee and puts both their lives in peril. As Bellamy delves deeper into the mystery surrounding Susans slaying, she discovers disturbing elements of the crime which call into question the people she holds most dear. Haunted by partial memories, conflicted over her feelings for Dent, but determined to learn the truth, she wont stop until she reveals Susans killer. That is, unless Susans killer strikes her first.
