*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Brand New Book ***** Print on Demand *****.GAO discussed the District of Columbia s deteriorating financial situation. GAO noted that: (1) since 1991, the District s financial stability and cash position have steadily deteriorated; (2) Congress has enacted legislation to cap fiscal year (FY) 1995 expenditures, require a \$140-million budget reduction, impose penalties for overspending, reduce the District s workforce, and require periodic financial and performance reports; (3) the District s required quarterly financial report was not sufficient to monitor the District s financial situation; (4) the District estimated that its FY 1995 annual budget and cash outlays could exceed a congressionally mandated cap by \$722 million; (5) the District s FY 1994 budget shortfall was its largest annual budget deficit under home rule; (6) the District had to borrow \$250 million months earlier than it expected; (7) in 1995, one financial investment service lowered the District s bond rating below investment grade; (8) although District officials have proposed to reduce spending by \$224 million, it will need the federal government to cover the remaining \$407 million; and (9) the District s plans to address its current financial situation do not include any major structural or management changes.
