

Cowboy Not Included (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Samhain Publishing, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.She never expected to feel the vibrations all the way to her broken heartstrings. The Boot Knockers Ranch, Book 6 Diapers and baby food are uppermost in Skye Blackwood's mind—at least until she's alone at night. Two years is a long time, and her toy collection isn't all that satisfying. Especially since her battery-operated lovers came from Booker, her ex. Everyone said they married too young, and they were right. He could be a bigger part of their daughter's life, though, so she tracks him down—and is shocked to discover he's working at a Texas sex therapy ranch. She reserves a week of something tall, dark, and cowboy for herself, planning to use her down time to talk to Booker. When Skye steps onto the Boot Knockers stage, Booker doesn't hesitate to pull the plug. A giant misunderstanding may have ended things between them, but no way is he letting another cowboy into her bed. Once alone, their animal attraction flares back to life. But time hasn't healed the emotional wounds that still run deep. And renewing their old bond could be the biggest mistake they ever made. Warning: Contains smoking-hot sex scenes with toys, without toys, with an extra partner, and just one-on-one. Suitable for beginner, intermediate, and advanced cowboy lovers. Sorry, you'll have to supply your own batteries. Better buy a case. Oh, hell, just buy stock in the company.
