I live in Harlem, a place where life isnt always easy. Ive always dreamed that my brother Mike and I would stand on an NBA court together some day. This book is about trying to get there. Its about winning and losing. Its about joy and pain. Its about basketball. Its about our life, and how fifteen hours can change everything. Sitting here on the bench at Towers Memorial Arena on the night of my first NBA game, I can finally sit back and reflect on my bumpy road. I guess it all starts on the night before Mike and I were supposed to leave for college, the night that changed everything. The night that basketball stopped being the most important thing in the world. And after this night, nothing would ever be the same Log on to and enter the unique book code found on page 2 of this book to unlock an extra dimension to your AV2 Audio Chapter Book.
