It covers in a fundamental way those issues and leaves room for the reader to research more about them. The biblical principles taught hereinafter remain the same forever no matter whether new information or issues become available or not. Addressed issues include: revelation, inspiration, and authority; the Christian and culture; reasons to have confidence in the biblical text; how to use critical analysis in the study of the four gospels; synoptic gospels: what one learns from them and how one may use them today; Jesus; Old Testament theology; New Testament theology; the Church: yesterday and today; and the New Testament and contemporary life. The addressed issues are critically analyzed through a series of persuasive essays. Each essay forms a chapter in the book. This book is a must read for those desiring a solid foundation in the things of God. This book is also available as an ebook at Smashwords and other online markets.
