However, in many cases we have to ask the question . . . What happened to that dream? The ability to dream is an inherent part of us. The responsibility to ease our dream into materialization is up to us. The price of bringing that dream to reality will depend solely on what we are willing to give up and deny. I Will Build A House For My King is my dream made plain to you. Do you have a dream? Then you must grasp the logic behind the concept of your dream. May this book help, inspire and encourage you to not only dream a dream, but that it will motivate you to see the fulfillment of that dream.
